Our students provide a Tulasi plant from Vendhanpatti, Ponnamaravathi on 9th February 2023 for mitigating the issue of air pollution.

In our committee, each household in Vendhanpatti was provided with two Tulasi plants on 9th February 2023. This initiative was undertaken due to the beneficial properties of Tulasi plants, which produce anti-inflammatory and antibacterial compounds that aid in reducing air pollution levels and mitigating its impact on general well-being. The objective of this activity is to enhance public awareness regarding the issue of air pollution and promote preventive measures.

Academic year 2022-23

Tribal Camp Report

Location of camp : Yercaud
Duration of camp : 20.02.2023 to 24.02.2023
No of students participated : 36 students + 2 faculty

INTRODUCTION

Social Work aims to maximize the development of human potential and the fulfilment of human needs. through Working with and enabling people to achieve the best possible levels of personal and social wellbeing. The department aims to prepare students to integrate knowledge, skills, ethics and values of Social work. As a part of our curriculum the social work department every year organizes various community programmes, study tour, Tribal visits and Rural camps. The department of Social Work, (BSW) Ganesar Arts and Science College, Melaisivapuri. organised 5 days Tribal camp for BSW students from 20 FEB 2023 TO 24 FEB 2023 at Yercaud, Salem (District). The Camp Focused on providing cross-cultural exposure and understand the core of tribal society life. Their problems and needs and help in preparing a plan for social work practice and community development. Furthermore, social work camp provided an opportunity to identify the needs and interests of the people through professional interactions. The camp was exclusively organized by the Social work students, the faculties provided background support to the students.

Objectives of the Camp

- To knowledge about the various NGOs and its functions
- To enable students, understand the socio-economic conditions of tribal life
- To Help students integrate essential values for life
- To develop personal and professional skills and
- To facilitate self-development in process like planning, decision making.
- To learn to work together as a team programme organizing, executing coordination, recording, report writing and self-evaluating .

Activities On The Days

Day-1 (20 Feb 2023)

The Tribal Camp began on 20th of February, 2023 at 6pm in the Bothimaram Oldage home at Salem. The program was held from 5pm to 8pm. Managing Director Mrs. Rajarajeshwari welcomed the social work trainees and faculties. Deputy Managing Director Mrs. Prema welcomed the students delivered a welcome address. Managing Director of Bothimaram Oldage Home, she outlined the daily tasks and experiences of the Nursing Home Services. There are three categories of dependent elderly parents abandoned by their children and elderly whose children are sent monthly expenses. There are a total of 95 senior citizens in this oldage home. She told about the physical health and mental health problems of the elderly. She explained about elderly care work. Students asked questions related to health and mental health of the elderly. Managing Director gave a very clear answer for the students to understand easily. Finally the students delivered a vote of thanks.

Day-2 (Feb-21)

On the second day of the camp, the students visited National Law Foundation. The program was held from 6 to 8 pm. Law Foundation Coordinator Mr. Sundar delivered the welcome speech and stated the objectives of the Law Foundation. Director Mr. Sethupathi BA. BL., spoke about the Basic Laws and gave awareness about the Right to Information Act. Explained the rules and procedures of RTI Act and informed about how to get information through RTI Act. He explained the human rights protection laws to the students. He answered the doubts raised by the students regarding the law. Students learned about Basic Laws, Human Rights act and Right to Information Act. Finally the students delivered a vote of thanks.

Day-3 (Feb-22)

Third day of the camp Students visited Yercaud Rehabilitation Center. This rehabilitation center program was held from 10 am to 1 pm. Director Victor welcomed the students and explained the work of the Rehabilitation Center. Taught the students about treatment and counseling for drug addicts. He described the rehabilitation center's working methods, dietary habits and process plans. 25 persons are undergoing treatment at the rehabilitation center. The students directly heard the experiences of the people undergoing treatment at the rehabilitation center and the managing director answered the doubts of the

students. Students learned about rehabilitation center operations, medical advice, dietary habits and program methods. Finally the students delivered a vote of thanks.

Day-4(Feb-23)

The students visited Our Vigilance Council of India organization. Salem District women's Cell President Mrs. Pushpa Jothimani took the lead and explained to the students the work programs and services of Vigilance Organization. Gave anti-bribery awareness to the students. Advised students on how to approach anti-bribery department. She explained about the service of vigilance organization, what is the reason for taking bribe, what is our duty and shared his experiences about people's cooperation to live an honest life. She gave empirical answers to the doubts raised by the students. Finally the students delivered a vote of thanks.

Day-5(Feb-24)

Fifth day, students surveyed the tribal people's cultural patterns, socio-economic status, and educational progress. People answered questions about their career, children's education, festivals and their development. Students went people's home got answers from people based on their prepared questions. This survey program was held from 10am to 1pm. The students learned about the educational progress, living standards and lifestyle of the tribal people through this program.

Outcome

1. The social work trainee learnt about the how to do the team work in camp.
2. Training also got idea about interacting with people from different age group helps to built the confidence level of trainee.
3. To gain knowledge about the various NGOs and its functions.
4. To learned about Basic Laws and Right to Information Act.
5. Social work trainee learned about rehabilitation center operations, medical advice, dietary habits and program methods.
6. Social work trainee learned about the health and mental health care of the elderly.
7. Social work trainee Students were made aware about bribery.
8. To learnt how to take a survey.
9. Learn to work together as a team programme organizing, executing, coordination, recording, report writing .

Conclusion

The camp was a huge learning experience for all the students. The objectives that were laid down for the camp were by and large met. The most important benefit of the camp was that the students learnt to work as a team. The food, weather and surroundings were different and the students interacted extremely well with the local community as well as adjusted admirably to the tribal setting.. The tribal camp was a very good occasion for the students to exercise their social work principles and skills and the students benefitted immensely by the experience. - The tribal camp was really good experience of learning. The two teachers had tried their best to help trainee in all away possible. Trainee is also looking forward for this kind of camp in the future too from college. The division of student for camp planning which is good practice of college and will be best if continued.

DEPARTMENT OF SOCIAL WORK

Academic year 2020-21

Rural Camp Report

Location of camp	: konnaiyur
Duration of camp	: 22.2.2021 to 24.2.2021
Camp Leaders	: Mr.V.Manojkumar & Ms.Abirami
Camp directors	: Ms.M.Sharmila devi & Mr.C.Vengateshwaran
No of students participated	: 32students + 2 faculty

Introduction

The actual rural camp was preceded by two weeks of camp preparation to actual camp. This will include pilot visits to the village for identification of the camp site, projects to be implanted, and to liaise with local community to conduct the rural camp in a particular place.

Objectives

1. To make the social work trainees to experience group living and to initiate and participate in development work in a village identified by the department and the students together.
2. To expose the students to rural life & living
3. To enable the students to learn by carrying our development projects after identifying local need.
4. To help them develop capacities and attitudes suitable for a group living.
5. To inculcate the spirit of working in a team.
6. To practice the skills developed during the project field work component.

Pre-camp planning

Social work trainees were given a wide chance of taking up responsibilities with leadership. The camp leaders are elected and the students organizing the camp are divided into various committees and are delegated with their responsibilities.

The student who are selected to represent the class are guided by the faculty members for visiting the purposed places and identify the needs and interests of people through professional interactions. Thus the place suggested and selected was konnaiyur. A pilot visit was undertaken by 4 students and 1 faculty member to identify the needs and social constraints prevailing. During the pilot visit, the camp leaders were accompanied by the camp director and with two more students heading different committees, paid visits to the offices of social institutions like gram panchayat with the unleashing support of panchayat president , visiting the officials were facilitated and that helped in broader and clear planning thus the villages identified in konnaiyur. .

Hence forth discussions were held to devise the desired plans, programmes, source of funds, involvement of people in the programme collecting material contacting experts for lectures and as guests.

On camp

After all preparations made the trainees were reached the camp place konnaiyur. We started our rural camp journey by making all the preparations into live.

Day Wise Activities- On Camp (22/02/2021-24/02/2021)

Day 1: 22/02/2021

Activities

1. Rural camp inauguration
2. To create awareness for the usage of tree sapling.

We started our rural camp inauguration by inviting the chief guest Mrs. Panchayat president. Inauguration programme schedule was prepared by camp leader and made the

program successful. The social work trainees were through the benefits of trees in the earth and how to protect the trees in summer .our department staff Mr.C.Vengateshwaran speech inspired the students and it motivated to do our rural camp work successful.

Day 2 : 23/02/2021

Activities

1. Socio economic survey
2. Early Marriage
3. Education Awareness

The social work trainees were conducted a socio – economic survey among the residents of konnaiyur . The trainees were focused the need for people’s welfare and stressed the importance of humanitarian service. Followed by the trainees were thought about the drawbacks of early child marriage and drop outs . As a leaded our role is to check whether the delegated work is properly took place or not and the screw the students to make their work properly done.

Day 3 : 24/02/2021

Activities

1. Tree sapling

The social work trainees were planted trees and undertook manual work at konnaiyur (Cleaning the Temple and Pond Cleaning). And the trainees spoke about women empowerment and stressed the importance of women having a good self esteem. The awareness programmes were well received by the local people.

POST CAMP

After successfully completed the rural camp we have final general body meeting review of rural camp report every committee presented their report on the general body meeting. Review made by the HOD, Faculty Co-Coordinator in the department presented in the general body meeting. Thus the rural camp end with joyful and also with many learning’s of every student.

Difficulties Faced

The social work trainees were to communicate between the people and the president of kommiyur. we find difficult to communicate to every students Make the students to work in their committees to actively take part To make every students actively took part in culture's .

Conclusion

Rural Camp end with many sweet memories and also with many learning's of every social work trainees in their role.

Department Of Mathematics Conducted The Awareness Program For AIDS AWARENESS at sabai auditorium

Human immunodeficiency virus (HIV) is an infection that attacks the body's immune system. Acquired immunodeficiency syndrome (AIDS) is the most advanced stage of the disease.

The disease spreads more easily in the first few months after a person is infected, but many are unaware of their status until the later stages. In the first few weeks after being infected people may not experience symptoms. Others may have an influenza-like illness including:

1. **FEVER**
2. **Headache**
3. Rash
4. Sore throat

INTRODUCTION

RURAL CAMP REPORT - 2020

INTRODUCTION

“Necessity is the Mother of invention”

The rural camp which was organized by the Ganesar college of arts and science, Melasivapuri, Pudukottai District. SECOND YEAR BSW 18 Students with the guidance of two faculty members to gain practical skills and objective to create a platform for the students to understand and analyze the Rural social system strategies used by the Non-Governmental Agencies, Nature of Government Intervention for the development of poor people, and to facilitate students experience of group living the students were divided into several committees. The class was divided into 10 different committees to look groups then visited the different villages in Pudukottai District after that we finalized the Varpattu Village. During this camp the students were encouraged to organized and carry out programmes and events for social awakening and development of the people and conduct a survey on socio-economic and educational status and differently abled of people at Varpattu village. The rural camp was held from 17th february 2020 to 21 February 2020.

OBJECTIVES

OBJECTIVES

1. To make the social work trainees to experience group living and to initiate and participate in development work in a village identified by the department and the students together.
2. To enable the trainee to learn by carrying out development projects after identifying local need.
3. To help them develop capacities and attitudes suitable for a group living.
4. To inculcate the spirit of working in a team.
5. To practice the skills developed during the project field work components.

PRE CAMP PLANNING

PRE - CAMP PLAN

We had a wide chance of taking up Responsibilities and Leadership. The camp leaders are elected and the members organizing the camp are divided into various committees and are delegated with their responsibilities. The trainees who are selected to represent the class are guided by the faculty members M.Nagarajan for visiting the places & identify the needs & interests of people through professional interaction . Thus the place suggested and selected was Varpattu village, Ponnamaravathi Taluk, pudukottai Dt. A Pilot study was undertaken by II BSW trainees and the faculty members to identify the needs and social constraints prevailing During the pilot study, paid visits to the social institutions like Grama Panchayat, schools were facilitated and that helped in broader and clear planning. Hence discussion were held to achieve the desired plans, programmes , source of funds, involvement of people in the programme collecting material contacting and fixing the experts for Lectures and a training.

8. Empathy
9. Sympathy and Lots of Opportunity

CONCLUSION

RURAL CAMP SURVEY REPORT

RURAL CAMP SURVEY REPORT - 2020**TABLE: 01****DISTRIBUTION OF THE RESPONDENTS BY THEIR AGE**

S.NO	Age	Number of Respondents	Percentage
01	11 - 20 years	05	1.20 per cent
02	21 - 30 years	97	23.37 per cent
03	31 - 40 years	113	27.22 per cent
04	41 - 50 years	86	21 per cent
05	51 - 60 years	60	14.45 per cent
06	61 - 70 years	34	8.19 per cent
07	71 - 80 years	15	3.37 per cent
08	81 - 90 years	05	1.20 per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the Table it is Inferred that Higher Level (27.22%) of the respondents were the age group of(31-40Years) Very Lower Level (1.20%) of the respondents were the age group of (11-20 & 81-90Years)

TABLE: 02

DISTRIBUTION OF THE RESPONDENTS BY THEIR GENDER

S.NO	Gender	Number of Respondents	Percentage
01	Male	211	51 per cent
02	Female	204	49 per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the Table it is Inferred that More than half of the respondents (51%) were Male and less than half of the respondents (49%) were Female.

TABLE: 03

DISTRIBUTION OF THE RESPONDENTS BY THEIR EDUCATIONAL QUALIFICATION

S.NO	Education Qualification	Number of Respondents	Percentage
01	Literate	246	59per cent
02	Illiterate	169	41per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the Table it is Inferred that More than half the respondents (59%) were literature and the remaining 41% of the respondents were illiterate.

TABLE: 04

DISTRIBUTION OF THE RESPONDENTS BY THEIR MARITAL STATUS

S.NO	Marital Status	Number of Respondents	Percentage
01	Married	391	94per cent
02	Unmarried	24	06per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the above Table it is inferred that 94% of the respondents were Married. Only 6% of the respondents were Unmarried.

TABLE: 05

DISTRIBUTION OF THE RESPONDENTS BY THEIR CASTE

S.NO	Community	Number of Respondents	Percentage
01	MBC	277	66per cent
02	ST	11	2.6per cent
03	BC	46	11.0per cent
04	SC	78	18.7per cent
05	OC	03	0.7per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the table it is inferred that 66% respondents were belonged to Scheduled Caste and 0.7% of the respondents were OC

TABLE: 06

DISTRIBUTION OF THE RESPONDENTS BY THEIR TYPES OF FAMILY

S.NO	Type of Family	Number of Respondents	Percentage
01	Joint Family	077	18.5per cent
02	Nuclear Family	353	81.4per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the Table it is Inferred that 81.4% of the respondents were living in nuclear family and 18.5% of the were living in joint family.

TABLE: 07

DISTRIBUTION OF THE RESPONDENTS BY THEIR HANDICAPPED

S.NO	Handicapped	Number of Respondents	Percentage
01	Yes	015	04per cent
02	No	400	96per cent
	Total	415	100.00 per cent

Source of Report: Field Survey

From the Table it is inferred that only 4% of the respondents were differently abled.

TABLE: 08

**DISTRIBUTION OF THE RESPONDENTS BY THEIR SOCIO-ECONOMIC
CONDITIONS**

S.NO	Socio-Economic Conditions	Number of Respondents	Percentage
01	Farmer	398	97 per cent
	Others	12	2.8 per cent
02	Income Above.5000	244	59 per cent
	Below.5000	171	41 per cent
03	SAVING: Yes	113	27 per cent
	No	321	73 per cent
04	DEBTS Yes	266	64 per cent
	No	149	36 per cent
05	TYPES OF HOUSE Thatched House	32	08 per cent
	Titled House	198	47.7 per cent
	Concrete House	185	44.5 per cent
06	TOILET FACILITIES Yes	195	47 per cent
	No	220	53 per cent
07	Basic amenities such as, TV, Fan, Grinder, Mobile, Cattle	255	61 per cent
	Luxuries items such as computer, two-wheeler, four-wheeler, Tractor, Ac.	160	39 per cent

Source of Report: Field Survey

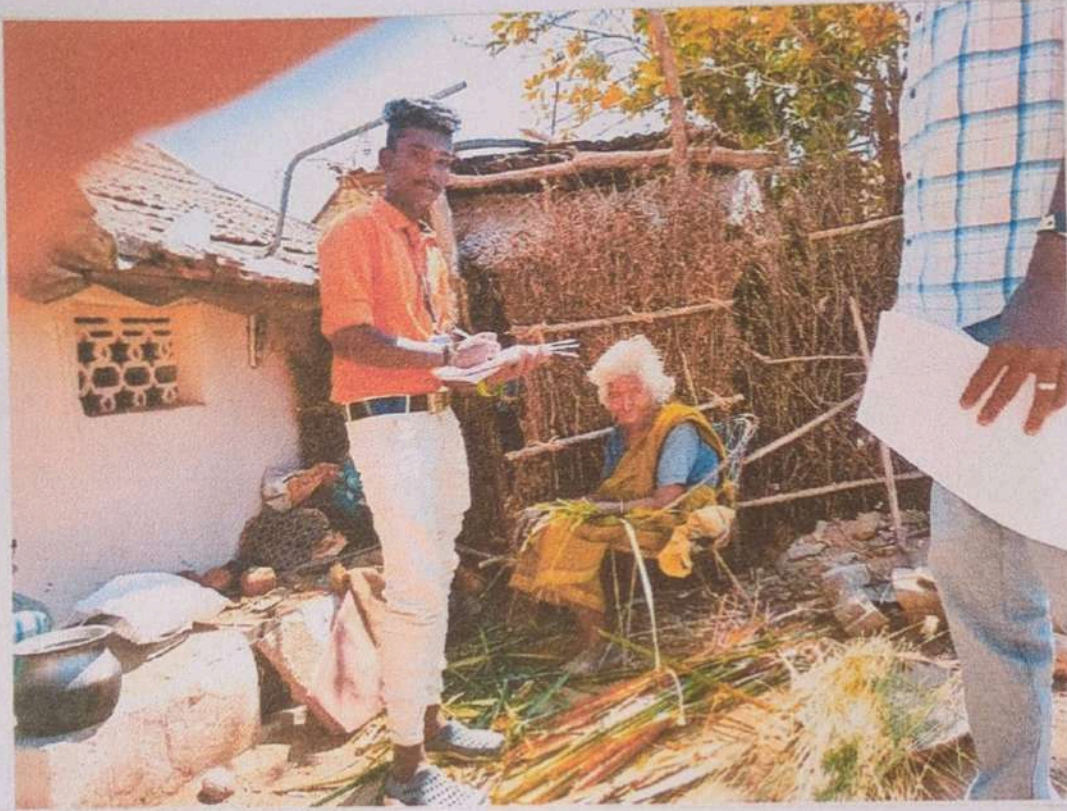

From the Table it is Inferred that Vast Majority 97per cent of the respondents were involved in agricultural activities. With regard to their income 41per cent of their Led below RS.5000 and 59per cent of their Led above RS.5000.per month.

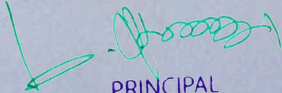

While asked their saving habits 73per cent. Of their said that they were not having the habit of saving and the same way they said that 64per cent of their had debt. Date : 23.07.2019

No. of Participants : 131

Time : 10AM-1.00 PM

Venue : kattukudipatti

Department Of Mathematics Conducted The Awareness Program For Plastic Elimination in sivangalai District at kattukudipatti village

According to the state government directive, no person will be allowed to sell, manufacture, and import and stock plastic and polythene items. There will be a complete ban on carrying any items in plastic and polythene bags. Using plastic and polythene covers in transportation will also be banned. The state imposed a ban on the sale, use and manufacture of plastic bags with less than 50 micron thickness. Plastic and polythene bag stocked by the trading establishments will be seized and manufacturing unit sealed. If the traders and manufacturing company are found selling these items they would be slapped a fine depending on the volume.

CHILD MARRIAGE ERADICATION

Date : 13.08.2018

No. of Participants : 150

Time : 10AM-1.00 PM

Venue : ENATHI

Department Of Mathematics Conducted The Awareness Program For **ENATHI** Village .

Child marriage violates children's rights and places them at high risk of violence, exploitation, and abuse. Child marriage affects both girls and boys, but it affects girls disproportionately

It is defined as a marriage of a girl or boy before the age of 18 and refers to both formal marriages and informal unions in which children under the age of 18 live with a partner as if married.
