INTRODUCTION

Yoga is a way of life. It is predominantly concerned with maintaining a state of equanimity at all costs. All yoga schools of thought emphasize the importance of the mind remaining calm, because as the saying goes, only when the water is still can you see through it. Yoga Darshan or Yoga Philosophy also happens to be valid discipline of Indian meta physics (Brahma Vidya). It is the result of human wisdom and insight on physiology, psychology, ethics and spirituality collected together and practiced over thousands of years for the well being of humanity. The basic idea of yoga is to unite the athma or individual soul with the paramathma or the Universal Soul. According to Yoga philosophy, by cleansing one's mind and controlling one's thought processes one can return to that primeval state, when the individual self was nothing but a part of the Divine Self. This is the sense encapsulated in the term samadhi. The aim of the yogi is to be able to perceive the world in its true light and to accept that truth in its entirety.

INTERNATIONALDAYOFYOGA

International Day of Yoga, or commonly and unofficially referred to as Yoga Day, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA). Yoga is a physical, mental and spiritual practice originated in India. The Indian Prime Minister Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

Report on Soft Skill *Training Program: Techniques to Conquer Interviews*

Introduction

The Soft Skill Training Program titled "Techniques to Conquer Interviews" was conducted on Monday, 27th February 2023, at Ganesar College of Arts & Science. The program aimed to equip 3rd-year undergraduate and 1st- and 2nd-year postgraduate students with essential skills necessary to excel in interviews for job placements.

Organizers and Participants

The program was organized by the Placement Cell of the college, led by Dr. M. Subarna, Assistant Professor of English, and Dr. V. Nithyakalyani, Assistant Professor of Tamil, who served as coordinators of the Career Guidance and Placement Cell. This initiative witnessed a remarkable attendance of approximately 350 students. The patrons and chief advisor for the program included esteemed individuals such as Mr. S. Nagappan, Mr. C. Rm. Ramanapriyan, Mr. Pl. Swaminathan, and Mr. A. Swaminathan, along with Dr. M. Selvaraju, the Principal of the college.

Resource Person and Topics Covered

Dr. R. Karthick Babu, an Assistant Professor and Head from the Department of English at SRM Arts and Science College, Tiruchirappalli, served as the resource person. His sessions encompassed vital topics such as "Accomplishing Goals through Communication Skills," "Resume Building," and "Interview Skills." Students actively participated, clarifying doubts and actively engaging in the discussions.

They were adeptly trained in crafting their resumes, receiving guidance that empowered them to create compelling resumes independently. Dr. Karthick Babu's sessions were highly interactive, allowing students to ask numerous questions, all of which were thoroughly addressed, leading to a 100% satisfactory rating in the student feedback report.

Program Schedule

The program's schedule was organized into an inaugural session and a valedictory session, with plenary sessions focusing on distinct aspects crucial for interview success. The timings were structured as follows:

Inaugural Session: 10.00 am to 10.30 am

REPORT ON INTERNATIONAL YOGA DAY
21st June 2019

"Yoga means addition - addition of energy, strength and beauty to body, mind and soul."Yoga is a powerful natural state that can inspire you in many ways. "Exercises are like prose, whereas yoga is the poetry of movements. Once you understand the grammar of yoga; you can write your poetry of movements." The International Yoga Day was celebrated on 21st June 2019 to bring peace, harmony, happiness and success to every soul in the world. This was a great opportunity to imbibe the value of discipline. Yoga is a mental, physical and spiritual practice that needs to be carried every day. Students got the chance to know how yoga embodies unity of mind and body. The students and teachers performed Yoga between 7 am and 7:30 am. Different yoga postures like Vrikshasana, Uttaanaasana, Trikonaasana, Bhadrasana, Shashankaasana, Bhujangasana, Pawana Muktaasana, finally ended with Pranayama and meditation. Prayers were recited before and after the programme. Heartfelt thanks to our Prime Minister, Mr. Narendra Modi for giving an opportunity to celebrate the International Yoga Day.
