Report on Communicative English Workshop: English for Career Proficiency

Introduction

The English for Career Proficiency workshop, organized by Dr. M. Subarna and Dr. V. Nithya Kalyani from the Placement Cell of Ganesar College of Arts & Science, aimed to elevate the language skills of final year undergraduate and postgraduate students. Held on 21st March 2023, from 10:00 am to 3:30 pm, at the college campus in Melasivapuri, Pudukkottail, Tamil Nadu, India, the workshop was a significant endeavor supported by notable patrons and distinguished personalities.

Workshop Overview

Commencing with a warm welcome address by Dr. V. Nithya Kalyani, Assistant Professor of Tamil, the inauguration witnessed an insightful speech by Dr. M. Selvaraju, Principal of Ganesar College. Mr. S. Nagappan, President of Sanmargasabai and Self-finance Section, emphasized the importance of language proficiency in his presidential address. Felicitations were extended by Mr. C. Rm. Ramanapriyan, Secretary of the College Committee, and Mr. PL. Sawminathan, Secretary of Sanmargasabai and Self-finance Section.

Keynote Sessions and Resource Person

Dr. V.A. Palaniappan, Assistant Professor and Head of the Department of Tamil, set the tone with a compelling keynote address. The main sessions were conducted by the esteemed resource person, Dr. R. Karthick Babu, Assistant Professor and Head (also a Soft Skills Trainer) from SRM Arts and Science College, Tiruchirappalli. The sessions centered around the theme "English for Career Proficiency," covering essential aspects crucial for career development through language enhancement.

Participant Engagement and Learning

Students in their final year of undergraduate and postgraduate studies actively engaged in the workshop, participating in discussions, activities, and exercises tailored to improve their English language skills. The interactive nature of the sessions provided a conducive environment for learning and skill refinement.

Valedictory Session and Certificates

The valedictory session concluded with an address by Mr. A. Swaminathan, President of the College Committee, appreciating the dedication of both participants and organizers. He expressed gratitude and distributed certificates to all attendees, acknowledging their commitment to enhancing their English proficiency.

Conclusion

The English for Career Proficiency workshop, orchestrated by Dr. M. Subarna and Dr. V. Nithya Kalyani from Ganesar College of Arts & Science, Placement Cell, provided an invaluable platform for students to refine their language skills, a pivotal asset for their future professional endeavors. The collaboration between speakers, faculty members, and enthusiastic participants underscored the workshop's success in fostering linguistic proficiency among the attendees.

We are happy to inform you that our Institution is organizing a "WORKSHOP ON "Writing: From basic sentence patterns to Creative Writing" for students on 10TH October, 2022 in our college campus. We would appreciate if you accept our invitation and your guidance will enhance the power of experiential learning.

OUTCOMES

- We'll be focusing on sentences: how they're made and how they behave.
- Sentences help us to organize our ideas to identify which items belong together and which should be separated.
- We'll look at the different parts that work together to create sentences and at the different types of sentences that work together to create variety in your writing.

Resource Person : Dr. N. Jeyanthi

Time : 10.30am to 12.30pm

Venue : Ganesar College of Arts and Science, Melaisivapuri

We are happy to inform you that our Institution is organizing a "WORKSHOP ON "Basics of Grammar and Syntax" for students on 6TH September, 2021 in our college campus. We would appreciate if you accept our invitation and your guidance will enhance the power of experiential learning.

OUTCOMES

- If one wants to build systems that communicate with people in human language or that analyze people's beliefs and behavior it is useful to perform a syntactic analysis of the text into either phrase or dependency structures first.
- The correct structures are specified using a grammar. Identifying the structure involves a variety of steps, that can be performed independently, in a sequence or can be learned as part of a complete language model trained using Deep Learning.

We are happy to inform you that our Institution is organizing a "WORKSHOP ON "Vocabulary Enhancement" for students on 29TH October, 2021 in our college campus. We would appreciate if you accept our invitation and your guidance will enhance the power of experiential learning.

OUTCOMES

- This study investigates the effects of blended learning strategy in enhancing vocabulary on Iranian students through asynchronous using of Memrise Application outside the scheduled class time.
- The control group learned vocabulary items through the traditional method and the experimental group used the blended learning approach.
- Quantitative and qualitative data collection tools including a pre-test and post-test and a semi-structured interview were utilized.
- Results of the study revealed that there was a statistically significant difference between the achievement of the students who used blended learning approach and the achievement of those using only the traditional method.
