## FACILITY FOR WOMEN IN CAMPUS

Besides being an estimable institution our Ganesar College of Arts & Science proves to be a rare boon to the poor and downtrodden people living at and around Melaisivapuri Village. The needy parents hesitate a lot to send their girls (daughters) to faraway towns or cities to get higher education. This limitation was found among the parents of poor women students who tried to close the Gateway of knowledge. As a selfless savior, our college came forward to help them. In fact, it is a rare honor for our college it was she who produced the First Graduates in families in which for many generations none receive at least the primary education or almost all remained illiterate.

Now the poor and illiterate parents of our women students greet our college with heartfelt gratitude. If our college had not been founded here, 99% of the young women would have remained illiterate and lived in the Darkness of Ignorance. Fortunately, they have been blessed to receive a quality education at our college.
